There are very few Humbers left. To-day's selling will probably close out all but a few odd sizes. Prices are-

## Men's Shoes

Limited, but Good WE have four hundred pairs of sample shoes, from a very large

factory. They are Fall shoes, of course, and the lines they represent will retail at \$3.50, \$4, \$5, \$6.

These 400 pairs you may have at \$1.90 a Pair

This would be a really sensational offer if it were not for the fact that the shoes are only in two sizes,-7 and 71/2. If you don't wear either of those sizes, skip the rest of this

paragraph with a sigh for an unavail-ing bargain. If you do wear either of these sizes, get here as early as you can this morning, for you will never have a better chance to save three or four dollars as long as you live and wear shoes.

All shapes, all weights, all leathers.

Two months of Shoes for wearing time for Women and Women's Oxford Children Shoes still to come,

and here's a lot at half price and less. These are fine low shoes, tans, black, most desirable toe shapes, and actual \$1.50 to \$2.50 grades. Two lots, and they're now 75c. and \$1.

For small boys and girls, a collection of various lines that are incomplete-sizes missing here and there, but all sizes in the lot. Black kid and box calf, tan kid and goatskin; all with spring heels. Prices run up to \$2.50. Now 90c. for sizes 81/2 to 101/2, and \$1 for sizes 11 to 2. Fourth avenue and Ninth street.

Boys' Clothing- We've made The Stylish Kinds great preparadressy boys-the critical little fellows who know what constitutes good style. Important, however, as is that point, we don't sacrifice cheapness to it. Style and quality go hand in hand with real economy in this Clothing Store.

50 patterns of fancy cheviots and neat worsteds. Suits at \$5 and up to \$13.50. Sizes 8 to 16 years.

The "Wanamaker Special" is a doublebreasted jacket suit for boys, 7 to 16 yrs., of strong all-wool cheviots; seams double stitched with silk; buttons extra well stayed; double warp lining; trousers with double seats and knees; in fancy cheviots, also navy blue; good-looking suits and very durable. \$5 each. LONG-TROUSER SUITS

At \$9-A stylish suit of cheviot, with 3-button cutaway coat and high-button doublebreasted vest. Some in fancy cheviots, at only \$8.50. From that, prices creep gradually up to \$18. Particularly good quality and style in the \$12 and \$13.50 kinds.

Men's Ten-Cent Collars

Second floor, Fourth avenue.

by thousands of dozens at a time, yet every time we mention them in our store news, you run us out of sizes the next day.

We have just freshly stocked up again, and are ready for you today. The collars come in every shape and size, and we promise that they will wear quite as well as any 25c. collar you can name. Some customers aver that they wear better under hard use. You can see at a glance that they look quite as well. Ten Cents each: \$1 a dozen.

Men's Domet Made as all our Flannel Night shirts are made, honestly in every Shirts detail. Full sizes and lengths, and cheaper than you can remember. You will think of this paragraph in the next suddenlychilly night. Let it be with satisfaction, not with regret for a lost

opportunity. Forty Cents Each.

New Neckwear Fall styles in Puffs, Imperi-25c. als, Tecks and Four-in-Hands, in simple but effective patterns, for the business wear of the quietly-dressed man. Lively enough patterns are among them, however, if you will hunt a little.

Good honest values in good honest goods. They vary very little from the regular fifty-cent qualities, -made from exactly the same grade of silks, but with not quite so good a quality in the lining, perhaps.

Twenty-five Cents Each

Women's Fine Quick response to the announce-Gloves at 75c. ment made a few days ago of their arrival. This story is about their speedy departure, -no more in pearl and white. You may still have browns, tans and blacks, however, in the best glove of fine, soft lambskin you ever saw at the price. 75c. here for a good

dollar value. Some storekeepers

would say \$1.25.

Touth street.

## WANAMAKER'S

The "Alta Books" High-class Literature— of standard au-18c. per vol. thors. It's not

often you can obtain books of this kind in such excellent binding at such absurdly little prices,-they're bound like the \$1 and \$1.50 publications. In the offering are represented Scott, Dickens, Lever, Cooper, Eliot, Hood. Some in sets, like these:

Macaulay's England, 5 vols., 90c. Martineau's England, 4 vols., 72c. Daniel Deronda, 2 vols., 36c.

And the single books are only 18c. each. The Book Store, Ninth street.

FE FLINT'S FINE FURNITURE

Of the Louis XIV. Period. The Court of the Grand Monarch, who em-ployed the finest artists of all countries, was the most magnificent that Europe has

ever seen. France at this time gave laws of taste to the world. The exuberant fancy, delicate touch and elegant style of this period we have reproduced in our drawing room designs—the

duced in our drawing room designs—the general appearance of our second floor suggests a French salon.

The exquisite splendor of the gold pieces, with their brocade coverings; the mahogany pieces upholstered in rich, sumptuous tones; the tapestries on the walls—all are typical features of the salon. The effect is so light, graceful and harmonious that it is worth a visit to see, and be sure to look at the factory-priced tags, for you know you the factory-priced tags, for you know you
